

Max Packaging Custom Kits

Custom Card Kits

Description: Custom printed cards are a unique and cost-effective way to advertise your mini-menus, coupons, sales, and more! We will even work with you on designing and printing your cards!

Features: CMYK process printed one or two-sided cards on 14 point cardstock available in 2"x 3.5" Classic and 2"x 5" Extended sizes.

Minimum Quantities: 10 case minimum at 225 count per case with price breaks at 20 and 40 case production runs.*

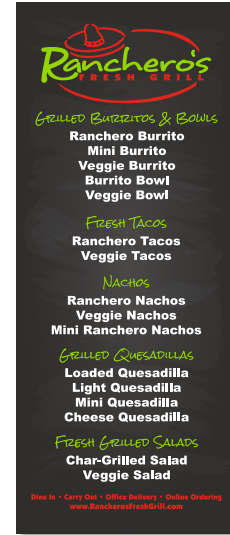

2"x3.5" Card (Front)

2"x3.5" Card (Back)

2"x5" Card

Printed Napkin Kits

Description: Streamline and printed napkin kits.

Features: Printed napkins are one or two colors on 2-ply paper using Pantone or completely custom colors based on your specifications. Prints are 1.35"x 4".

Minimum Quantities: 50 case one color minimum and 100 case two color minimum per SKU.*

Printed Film Kits

Description: Our printed films are among the most visually striking and appealing options of kit customization!

Features: One to six Pantone colors (including white) per kit. Registered Print: design is centered on the film.

Random Print: design repeats across the film (saves you money).

Minimum Quantities: 1 to 4 color 40 case minimum per SKU.*
5 to 6 color 80 case minimum per SKU.*

*All orders must be through an authorized Max Packaging distributor! No art or plate fee on any custom printed kits!
