Max Packaging rolled napkin kits are now available. Whether for catering, dine-in, or special events, our rolled napkin kits are sure to deliver a sense of style and occasion!

To the right are samples of our four different stock bands. Max Packaging is also capable of working with you on designing a custom napkin band, so please feel free to contact us!

Our standard stock kits come with C40 Series (compostable), D Series (classic style), or Sabert (silver style) cutlery. We offer a 16" x 16" white premium napkin or kraft napkin. Custom rolled napkin kits require a band inventory agreement.

### Stock Bands

### Quantity Requirements
